LEGAL HISTORY:

On February 22, 2005, the above-named was placed on Supervised Release for a period of five years, which commenced on May 24, 2010. Special conditions included: 1) Search; 2) Financial disclosure; 3) Participate in a program of drug abuse; 4) Participate in a program of testing for drug or alcohol use; 5) No pager; 6) No alcohol and alcohol restrictions; 7) Aftercare co-payment for testing and treatment services; 8) Submit to DNA collection; and 9) No firearms. His special assessment of \$200 was paid in full while he was in custody.

SUMMARY OF COMPLIANCE:

Mr. Messer released from federal custody on May 24, 2010, to the Eastern District of Oklahoma. He has remained gainfully employed throughout supervision, and he has become the manager of the O'Reilly Auto Parts store in Checotah, Oklahoma, doing extremely well since his release. There have been no supervision issues, and the probation officer does not anticipate any issues arising.

It is the opinion of the probation officer that Michael Jess Messer has derived maximum benefit from supervision and is not in need of continued supervision.
